God's Word Today

Such rich fare is offered to us this day from the table of God's word. The first reading chronicles both the punishment and the great mercy shown by God to the people who "added infidelity to infidelity." Saint Paul calls this God one "who is rich in mercy." The greatest merciful act shown by our God is beautifully proclaimed in today's Gospel: "For God so loved the world that he gave his only son." As the word of God is proclaimed today, let us be thankful to God for the gift of the Lord Jesus, who came into this world not to condemn, but to save.
