Healing Mass
 Friday,
 October 29th
 7:00pm

From a letter to the Corinthians by Saint Clement I, pope and martyr

In his goodness to all, God gives order and harmony to the world

Let us fix our gaze on the Father and Creator of the whole world, and let us hold on to his peace and blessings, his splendid and surpassing gifts. Let us contemplate him in our thoughts and with our mind's eye reflect upon the peaceful and restrained unfolding of his plan; let us consider the care with which he provides for the whole of his creation.

The seasons, spring, summer, autumn and winter, follow one another in harmony. The quarters from which the winds blow function in due season without the least deviation. And the ever-flowing springs, created for our health as well as our enjoyment, unendingly offer their breasts to sustain human life.

The tiniest of living creatures meet together in harmony and peace. The great Creator and Lord of the universe commanded all these things to be established in peace and harmony, in his goodness to all, and in overflowing measure to us who seek refuge in his mercies through our Lord Jesus Christ; to him be glory and majesty for ever and ever. Amen.
